MANY LITTLE (& BIG) WINES

With a diverse and uniquely varied landscape – from sea-side vineyards to high altitude micro climates, it is clear why Victoria is a world-class wine region. An excess of 800 wineries are cultivated daily by a plethora of creative and talented winemakers who continuously strive to exceed expectations. This passion is at the core of our wine list as we proudly showcase their efforts at Many Little.

Pinot Noir, Chardonnay and Pinot Gris dominate these vineyards in Victoria’s cool-climate regions such as upper Yarra Valley, Henty, Macedon & right here on the Mornington Peninsula. As you move up to North-East Victoria, classic Italian varieties such as Sangiovese and Nebbiolo are scattered across King Valley. Heading west to Central Victoria, we find the powerful and full-bodied reds of Bendigo and Heathcote.

Wine should have a sense of place and tell you a story about the terroir and climate from the vineyards where it is grown. That is the key principle we have used to build our always evolving wine program.
